Date: February 10, 2016

Subject: Updated Clinical Practice Guidelines for Screening, Diagnosis, and Referral for Substance Use Disorders

Summary: The AmeriHealth Caritas District of Columbia (DC) Quality Assessment Performance Improvement Committee (QAPIC) recently adopted the updated MQIC Clinical Practice Guideline for Screening, Diagnosis, and Referral for Substance Use Disorders. Please visit www.amerihealthcaritasdc.com/provider to access the complete practice guidelines.

How to Access Clinical Practice Guidelines:

To access the clinical practice guidelines, please visit the Provider section of the AmeriHealth Caritas DC website at www.amerihealthcaritasdc.com, select “Resources” from the left side menu, and then select “Clinical practice guidelines” within that page. The practice guidelines are organized in alphabetical order.

Questions:

If you have questions about this communication, please contact your AmeriHealth Caritas DC Provider Account Executive or Provider Services at 202-408-2237 or 1-888-656-2383.
