

**To:** AmeriHealth Caritas District of Columbia Behavioral Health Providers  
**Date:** December 11, 2017  
**Subject:** **Alliance Members May Fill Behavioral Health Medications at Any Network Pharmacy**

**Summary:** Effective immediately, all Alliance members are able to fill prescriptions for behavioral health medicines at any pharmacy in the network of pharmacies.

### **Background**

Effective immediately, all Alliance members are able to fill prescriptions for all medications, including behavioral health medicines, at any pharmacy within the AmeriHealth Caritas DC network. This change includes any behavioral health medications that were previously given at the 35 K Street Pharmacy.

### **Action needed**

Please inform your Alliance patients that prescriptions for any behavioral health medicines may be filled at any network pharmacy.
