As a health plan, our intent is to maintain a practitioner network that can meet the cultural and linguistic needs of our members. We strive to provide the most accurate and up-to-date information to our members about race, ethnicity and language of our network practitioners. We wish to facilitate high-quality care by providing a choice of practitioners that includes all major racial/ethnic and linguistic groups represented by our membership.

Please complete this voluntary survey below so that we can update our files. Your prompt reply is appreciated.

To return, please fax this survey to 202-326-8931, or complete the survey online at https://www.surveymonkey.com/r/rel-survey.

Practitioner/Provider Name: _________________________________
