

**RE: Care coordination assistance for dental providers**

February 7, 2017

Dear Dental Provider Network:

AmeriHealth Caritas District of Columbia (DC) is aware that some of our providers have encountered difficulties with scheduling procedures for patients due to a lack of operating room availability. We know this issue is of concern for our providers when coordinating care for your patients – our members.

If you are having difficulty scheduling OR time for any AmeriHealth Caritas DC member, we ask that you contact us at **(202) 326-8921**. AmeriHealth Caritas DC will assist providers to coordinate the delivery of care in instances where our members are in need of procedures that must take place in an OR setting.

We appreciate all that you do to provide the best oral health care for our members. We look forward to our continued partnership to maintain optimal oral health for your patients – our members.

Sincerely,

Nathan Fletcher, DDS  
Dental Director
