Date: September 4, 2018

From: Carl Chapman, Director of Provider Network Management

Subject: Online survey of DC professionals serving and/or in contact with pregnant and postpartum (perinatal) women!

Summary: Mary's Center Maternal Mental Health program, in collaboration with community partners/stakeholders, is conducting an impact evaluation. We kindly request your help with completing this survey by Friday, Sept. 14th!

Action Needed

Mary's Center Maternal Mental Health program, in collaboration with community partners/stakeholders, is conducting an impact evaluation to assess how programming, policy, education and clinical initiatives have changed the landscape of perinatal mental health in D.C. since 2015.

The survey(s) should take no more than 15 minutes to complete. Upon completion, you will be entered for a chance to win a \$50 gift card!

To participate, providers should use the links below to self-select into one of three online surveys below based on the description that best fits their profession:

MEDICAL PROVIDERS: *OB/GYN, pediatrics, primary care, psychiatry, and any other specialties that come into contact with pregnant/postpartum women*
