MARCH 14, 2019
9:00 AM-12:30 PM

Spire | 750 First Street, NE | Washington, DC 20002 | Vue Room
9:00 AM Breakfast | 10:00 AM Training
RSVP: <https://tinyurl.com/AmeriHealthCLAS319>

Please join us for an exclusive networking breakfast and breathtaking views for a continuing education training opportunity and a chance to meet other area health care providers to learn how to best serve culturally diverse patients in your practice.

- Objectives: At the conclusion of this lecture, participants should be able to:**
1. Explain common beliefs, customs, practices and behaviors that exists within ethnic communities
 2. Establish linkage between social determinants and health outcomes
 3. Improve awareness of the need for cultural sensitivity, including the importance of language competency
 4. Provide recommendations for patient-centered approach to improve compliance and outcomes among patients
 5. Best practices and things to consider when interacting with: Non-English/limited-English proficiency, deaf or hard of hearing individuals and how to access Language Access Services
