Subject:	Vaccines for Children Provider Survey
Summary:	This is an update to the fax blast sent on June 2, 2020. The deadline to complete the survey is now June 30, 2020 .

Hello Providers,

The District of Columbia's Health Immunization Program would appreciate you completing a brief provider survey (see link below) to assess the impact of COVID-19 on our health centers. The information you provide will allow them to make better informed decisions about how to resume Immunization Program activities and how to best support providers. It should take no more than 10 minutes to complete this survey. Please submit one response per facility (this can be the Medical Director or the Primary Vaccines for Children's Program Coordinator, or you can work together to submit one response). The deadline to complete this survey is **June 30, 2020**.
