

AmeriHealth Caritas[™]
District of Columbia

To: AmeriHealth Caritas DC Adult Providers
Date: December 15, 2022
Subject: Clinical Practice Guideline Updates

Dear Provider:

As a part of AmeriHealth Caritas District of Columbia's commitment to ensuring enrollees receive quality care, please note that the clinical practice guidelines (CPG) have been updated for the following conditions:

- Sexually Transmitted Disease (STD)
- Tobacco control
- Preventative services for infants and children (birth to 24 months)
- Preventative services for children and adolescents (ages two to 21)
- Depression in adults
- Routine prenatal and postnatal care
- Outpatient management of uncomplicated Deep Venous Thrombosis (DVT)

Please review the updated guidelines at your earliest convenience by visiting the web addresses below.

Sexually Transmitted Infections Treatment Guidelines
