Subject: Akorn Recall

Dear Provider:

As of April 26, 2023, many prescriptions manufactured by Akorn Operating Company LLC (Akorn) have been removed from the market for safety reasons as a result of the company's bankruptcy. Please see the FDA website for more information on the removal: www.fda.gov/safety.

We will let affected enrollees know about this change. Please speak with your patients regarding any medications they are prescribed which are manufactured by Akorn and their alternatives.

If you have questions about this communication, please contact your Provider Account Executive or Provider Services at 202-408-2237.

Sincerely,

Pharmacy Services Department
