Dear Trusted Partner,

The application for the AmeriHealth Caritas District of Columbia's Small Business Development Program is now available. This 12-month program provides business and professional development training and legal assistance to participants.

To be in the program, applicants must:

- Be an owner of a District-based business that has been open for at least one year;
- Commit to attend four hours per month of trainings/workshops over a 12-month period; and
- Commit to applying for Certified Business Enterprise (CBE) certification within 12 months of completing the program (if not already certified).

Please share this information with your network. To apply for the program, participants need to [complete the online application](#) form. If you have any questions, please contact Pete Stoessel at pstoessel@amerihealthcaritasdc.com or visit www.amerihealthcaritasdc.com/about/small-business-center.

Sincerely,

AmeriHealth Caritas District of Columbia
