

AmeriHealth Caritas[™]
District of Columbia

To: AmeriHealth Caritas DC Providers
Date: October 28, 2022
Subject: Value-Based Payment Webinar Series

Dear Provider:

Integrated Care DC has developed a two-part learning series for District of Columbia Medicaid providers to review concepts, strategies, and examples for adopting value-based payment (VBP) arrangements. The Department of Health Care Finance (DHCF) will also discuss its efforts to expand value-based purchasing.

Part 1 of the series, “Understanding Value-Based Care & Value-Based Purchasing” will take place on November 3, and Part 2, “Achieving Better Outcomes Through Value-Based Care and Population Health Strategies” will take place on December 6.

For more information, please review the following flyer or visit www.integratedcaredc.com.

If you have questions about this communication, please contact your Provider Account Executive or the Provider Services department at 202-408-2237.

Are You Ready for Value-Based Payment?

What You Need to Know About VBP to Succeed

Learning Series

As Medicaid programs across the country shift from volume-based to value-based payment (VBP) to promote the delivery of high-quality care, providers must develop the capacity to succeed under VBP arrangements. Join us for this two-part webinar series developed specifically for DC Medicaid providers to review concepts, strategies, and examples for adopting VBP, and the flexibility these alternate payment models offer providers to improve patient outcomes through enhanced coordination, integration, and accountability. The Department of Health Care Finance will also discuss its efforts to expand value-based purchasing, improve health outcomes, and strengthen accountability through the District's managed care program.

Understanding Value-Based Care & Value-Based Purchasing

November 3, 2022 | 12:00 – 1:00 pm EDT | [REGISTER HERE!](#)

Developing organizational capacity for VBP arrangements begins with understanding the foundations of value-based care and the Health Care Payment Learning & Action Network (HCPLAN or LAN) value-based payment framework. Join this discussion of the purpose, key features, benefits of VBP and the Department of Health Care Finance's strategy to transform the District's current healthcare landscape into a more value-based care delivery and payment system.

Achieving Better Outcomes Through Value-Based Care and Population Health Strategies

December 6, 2022 | 12:00 – 1:00 pm EST | [REGISTER HERE!](#)

We will discuss how proactive approaches to value-based care, including the use of VBP models, can improve individual and population health outcomes while enhancing efficiencies and reducing total cost. We will also feature a provider's perspective on adopting population health across an organization to achieve better outcomes.

Speakers

Caitlin Thomas-Henkel, MSW
Principal, HMA

DaShawn Groves, DrPH, MPH
Special Projects Officer, DHCF
