

**AmeriHealth Caritas**<sup>™</sup>  
District of Columbia

**To:** AmeriHealth Caritas DC Providers

**Date:** January 26, 2024

**Subject:** Supporting Practice Leaders Navigating Unfamiliar Waters: Leadership Through Change Learning Collaborative

Dear Provider:

Integrated Care DC is now accepting applications for its new learning collaborative, Supporting Practice Leaders Navigating Unfamiliar Waters: Leadership Through Change. This four-month, eight-session series will supply leaders of District Medicaid practices with practical tools and approaches to help their organizations thrive as part of an integrated health system.

AmeriHealth Caritas District of Columbia (DC) encourages you to join these small group sessions featuring a blend of technical assistance and peer support to explore innovative approaches and transform existing policies and practices. The collaborative will help providers seamlessly merge new information, tools, and strategies to propel their practice toward an integrated and financially sustainable health care model. Participants will receive group and individual technical assistance from subject matter experts and will have opportunities to learn and share with each other.

Submit your application online at [www.integratedcaredc.com](http://www.integratedcaredc.com) by **Friday, February 2 at 11:59 p.m. ET**. For more information, contact Samantha Di Paola at [sdipaola@healthmanagement.com](mailto:sdipaola@healthmanagement.com).

Sincerely,  
AmeriHealth Caritas DC
