

**AmeriHealth Caritas**<sup>™</sup>  
District of Columbia

**To:** AmeriHealth Caritas DC Providers  
**Date:** May 14, 2024  
**Subject:** Remittance Advice Payment Recovery Details Now Available!

Dear Provider:

Due to the Change Healthcare/Optum security incident, remittance advices generated after February 21, 2024, have not included certain claim recovery information. AmeriHealth Caritas District of Columbia (DC) is pleased to inform you that a solution has been developed in collaboration with Change Healthcare/Optum to provide the detailed payment recovery information missing from the provider remittance advice. This solution will provide payment recovery details on the remittance advice or 835 you receive with your payments for claims processed on and after May 6, 2024.

For claims processed February 21, 2024 through May 5, 2024, AmeriHealth Caritas DC has generated a comprehensive claims recovery report available in the NaviNet provider portal. The claims recovery report provides payment recovery details by your enrollee account number, claim number, provider tax ID, payee/group ID, and NPI.

To access the claims recovery report:

- Log in to the NaviNet provider portal.
- Select applicable health plan.
- Go to **Report Inquiry**, under **Workflows for this Plan**.
- Click on **Administrative Reports>Claim Recovery Report**.

If you do not have access to the NaviNet provider portal, please visit: <https://register.navinet.net/> to sign up.

If you have questions about this communication, please contact your Provider Account Executive or call Provider Services at 202-408-2237.

We appreciate your partnership and patience as we work to re-establish services and will continue to share additional information as it becomes available.

Sincerely,  
AmeriHealth Caritas DC
