**Subject:** Value-Based Care Learning Collaborative: Improve Quality, Outcomes, and Value in Health Care

Dear Provider:

AmeriHealth Caritas District of Columbia (DC) invites you to join a year-long learning collaborative to learn about Medicaid value-based payment (VBP) arrangements in DC, how these programs apply to your practice, and how to work toward improving care and outcomes tied to payment.

After engaging in an initial general session to better understand VBP, participants will complete an assessment to facilitate enrollment into one of three content-specific tracks to deep-dive into improving a VBP metric:

- **Track 1:** Pediatric Care: Well-child Visits (Lead: Kelli Stannard, BSN, RN)
- **Track 2:** Care of Acute and Chronic Conditions: Potentially Preventable Admissions (Lead: Melita Ellis King MD, MA)
- **Track 3:** Maternity Care: Timeliness of Prenatal and Postpartum Care (Lead: Elizabeth Wolff, MD, MPA)

This learning collaborative is ideal for Medicaid providers interested but not participating in VBP with a Medicaid managed care plan (MCP) and those Medicaid providers already participating in VBP with an MCP.

To learn more, please join **one** of the initial sessions:

- Register for Tuesday, June 11, 10-11am ([bit.ly/3yLFIV0](https://bit.ly/3yLFIV0))
- Register for Thursday, June 20, 12-1pm ([bit.ly/3yLG5yS](https://bit.ly/3yLG5yS))

If you are interested, but unable to attend either session, please provide your contact information at [www.integratedcaredc.com/signup-form](https://www.integratedcaredc.com/signup-form) and specify your interest in the Value-Based Care Learning Collaborative. Integrated Care DC will follow up with you on additional opportunities to participate.
