**Psychiatric clinical information**

What is the main clinical need or focal problem that leads you to request admission to a PRTF?

---

---

---

---

---

What are the contributing factors to the main clinical need or focal problem? Please consider factors from multiple life domains, including the individual, family, peer, school, and community:

---

---

---

---

---

What are the goals for the PRTF stay and the recommended interventions corresponding to the contributing factors stated above?

---

---

---

---

---

| Current diagnosis |  |
|-------------------|--|
| Axis I:           |  |
| Axis II:          |  |
| Axis III:         |  |
| Axis IV:          |  |
| Axis V:           |  |

| Current psychiatric medications and dosages |      |          |                  |                              |

---

**Criteria section**

**Expectation for treatment (check one):**

- Treatment expected to improve symptoms or behaviors
- Treatment expected to maintain symptoms or behaviors without further deterioration

**Over the last week, has the child or adolescent exhibited any of the following behaviors? (Check all that apply.)**

- Fire setting
- Angry outbursts or unmanageable aggression
- Self-mutilation
- Positive, unmanageable psychotic symptoms
- Running away for more than 24 hours
- Increasing, unmanageable hypomanic symptoms
- Daredevil or impulsive behavior
- Arrest or confirmed illegal activity
- Sexually inappropriate, aggressive, or abusive behavior
- Persistent violation of court orders

**Have the child or adolescent’s behaviors been present at least six months?**  Yes  No

**Are the child or adolescent’s behaviors expected to persist longer than one year without treatment?**  Yes  No

**Has child or adolescent had any of the following unsuccessful treatments within the past year? (Check all that apply.)**

- Treatment foster care
- At least three psychiatric partial hospital admissions
- Treatment in a residential treatment center or therapeutic group home
- At least four psychiatric admissions to inpatient, partial hospital, or intensive outpatient, in any combination
- At least three psychiatric inpatient admissions

**Are the child or adolescent’s behaviors unmanageable safely in a lesser level of care?**  Yes  No

**Is the child or adolescent’s support system (check any of the following):**

- Unavailable
- Abusive
- Unable to ensure safety
- Intentionally sabotaging treatment
- A high-risk environment
- Unable to manage intensity of symptoms

**Does the child or adolescent have any of the following functioning problems? (Check all that apply.)**

- Inability or unwillingness to follow instructions or negotiate needs
- Inability or unwillingness to perform activities of daily living
- Social withdrawal
- Loss of behavioral control for more than 48 hours, with no improvement expected within two weeks

Signature and title of referring person: \_\_\_\_\_ Date: \_\_\_\_\_

## Supporting documentation required with packet:

- Court order for placement, including court reports from past two (2) years (if applicable)
- All psychiatric evaluation completed within last six (6) months
- All psychological evaluations completed within last two (2) years
- Most recent clinical update, including diagnosis and medications
- Most recent IEP and all psycho-educational evaluations completed within last two (2) years
- Any other information relevant to this review (such as 504 plan, recent progress notes, evaluation, neuropsychological evaluation, neurological examination and other evaluation)

Please note: Facilities may require additional documentation or information prior to decision.
