CATEGORY	PROGRAM	DESCRIPTION	MORE INFORMATION
<b>1</b> <b>TELEHEALTH</b>	<b>RelyMD</b>	RelyMD is an <b>on-demand telehealth provider</b> . An enrollee will be connected with a provider within minutes via phone or video chat.	<a href="https://www.amerihealthcaritasdc.com/pdf/member/enrolle-relymd-postcard.pdf">https://www.amerihealthcaritasdc.com/pdf/member/enrolle-relymd-postcard.pdf</a>
	<b>Dispatch Health</b>	To <b>receive medical care at home</b> , enrollees can book an appointment through our provider, Dispatch Health. A care team will come to them with everything needed to treat their illness or injury.	<a href="https://www.dispatchhealth.com">https://www.dispatchhealth.com</a>
	<b>Headspace Care and MindRight</b>	Enrollees can text <b>with a trained behavioral health coach for support</b> with life challenges big or small, such as anxiety or trouble sleeping. Ginger is for enrollees 21 years and older, and MindRight is for enrollees 20 years and younger.	<a href="https://www.amerihealthcaritasdc.com/pdf/member/enrollee-mindright-flyer.pdf">https://www.amerihealthcaritasdc.com/pdf/member/enrollee-mindright-flyer.pdf</a>
<b>4</b> <b>FITNESS AND NUTRITION</b>	<b>Cooking classes</b>	AmeriHealth Caritas DC <b>offers cooking classes at its Enrollee Wellness and Opportunity Center</b> . A nutritionist leads a hands-on session on how to cook a healthy meal.	<a href="https://www.amerihealthcaritasdc.com/member/eng/healthy-living/wellness-center.aspx">https://www.amerihealthcaritasdc.com/member/eng/healthy-living/wellness-center.aspx</a>
	<b>Produce Rx</b>	The Produce Rx program <b>enables eligible enrollees to “fill prescriptions” for fresh or frozen fruits and vegetables at participating Giant pharmacies</b> . Enrollees over the age of 18 who have prediabetes, diabetes, hypertension, and patients at participating clinics are eligible for the program.	<a href="https://www.dcgreens.org/produce-rx">https://www.dcgreens.org/produce-rx</a>
	<b>Home-delivered meals</b>	Pregnant and postpartum enrollees; enrollees who have prediabetes, diabetes, or hypertension; and enrollees who have recently left the hospital are <b>eligible to receive healthy, home-delivered meals from Mom’s Meals</b> .
