## B. Providers

### B1. Key terms

This section explains key terms you'll see in our *Provider* and *Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, prescription drugs, equipment, and other services.
  - The term “providers” also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports
  - Providers that are a part of our network are called “network providers”
- **Network providers** are the providers that have contracted with us to provide services to enrollees of AmeriHealth Caritas DC. The providers in our network will bill us directly for care they give you. When you see a network provider, you will pay nothing for covered services.
- **A Primary Care Provider (PCP)** is a provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will help you know when you need to see a specialist, though a referral from your PCP is not required. Referrals are not required to see any specialist who is part of our provider network.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer
  - Cardiologists care for patients with heart conditions
  - Orthopedists care for patients with certain bone, joint, or muscle conditions

### B2. How to find AmeriHealth Caritas DC providers in your area

The D.C. providers in this directory are organized by ward. Among the providers in your ward, look for providers that also have your ZIP code. These providers are likely to be located near you. However, the provider closest to you may not be located in your ward. Therefore, also consider providers outside of your ward that share your ZIP code.

Providers located in Virginia and Maryland are organized by county in alphabetical order. Find the list of providers for your county. Providers in your county who share your ZIP code are likely to be located near you.

## D. List of network pharmacies

This part of the directory provides a list of pharmacies in AmeriHealth Caritas DC's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as an enrollee of AmeriHealth Caritas DC.

We also list pharmacies that are in our network but are outside the District of Columbia. You may fill your prescriptions at these pharmacies. Please contact AmeriHealth Caritas DC for more information at **1-800-408-7511**, available 24 hours a day, seven days a week.

- AmeriHealth Caritas DC enrollees must use network pharmacies to get prescription drugs:
  - You must use network pharmacies except in emergency or urgent care situations.
  - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the AmeriHealth Caritas DC Enrollee Handbook for more information.
- Some network pharmacies may not be listed in this directory:
  - Some network pharmacies may have been added or removed from AmeriHealth Caritas DC after this directory was published.

For up-to-date information about AmeriHealth Caritas DC network pharmacies in your area, please visit our website at [www.amerhealthcaritasdc.com](http://www.amerhealthcaritasdc.com) or call Enrollee Services at **1-800-408-7511 (TTY 1-800-570-1190)**, 24 hours a day, seven days a week. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Enrollee Handbook and AmeriHealth Caritas DC's List of Covered Drugs. View AmeriHealth Caritas DC's list of covered drugs, also called a drug formulary, at [www.amerhealthcaritasdc.com/member/eng/medicaid/benefits/pharmacy.aspx](http://www.amerhealthcaritasdc.com/member/eng/medicaid/benefits/pharmacy.aspx).

### D1. How to identify pharmacies in AmeriHealth Caritas DC's network

Along with retail pharmacies, AmeriHealth Caritas DC's network of pharmacies includes:

- Mail-order pharmacies that send covered prescription drugs to enrollees through the mail or shipping companies
- Home infusion pharmacies, which prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home
- Long-term care (LTC) pharmacies that serve residents of long-term care facilities, such as nursing homes
- Network pharmacies outside the District of Columbia, which are available to all enrollees. These pharmacies are located in Virginia and Maryland.

You are not required to continue going to the same pharmacy to fill your prescriptions.

The D.C. pharmacies in this directory are organized in alphabetical order. Look for pharmacies that have your ZIP code, as these pharmacies are likely to be located near you.

Pharmacies located in Virginia and Maryland are listed in section E6. They are organized by county in alphabetical order. Find the list of pharmacies for your county. Providers in your county who share your ZIP code are likely to be located near you.
