Subject:	Temporary Eligibility Policy Changes for Medicaid, Children’s Health Insurance Program (CHIP), Alliance, and Immigrant Children’s Program in Response to Public Health Emergency COVID-19

Summary: On March 27, 2020, the Department of Health Care Finance issued the following notice regarding the COVID-19 Response Emergency Amendment Act of 2020 (Act). The Act stipulates that eligibility of Medicaid and Alliance enrollees is automatically extended for sixty days after the end of the public health emergency. Any individual whose eligibility was pending termination after March 11, 2020, is still eligible during this period. Please contact your Provider Account Executive with any questions.

The purpose of this transmittal is to notify all Medicaid providers of changes to eligibility policies for the Medicaid, Children’s Health Insurance Program (CHIP), DC Healthcare Alliance (Alliance), and Immigrant Children’s Program (ICP). On March 17, 2020, Mayor Bowser signed the “COVID-19 Response Emergency Amendment Act of 2020” (D.C. Law A23-0247, Expires on Jun 15, 2020). This Act allows the Mayor to extend the eligibility period for individuals receiving benefits and take such other actions as the Mayor determines appropriate to support continuity of, and access to, any public benefit program. This transmittal describes the actions taken by DHCF to implement the “COVID-19 Response Emergency Amendment Act of 2020.” These changes are effective for the duration of the Public Health Emergency declared by Mayor Bowser on March 11, 2020, plus an additional 60 days.

In consideration of the declaration of a Public Health Emergency by the U.S. Department of Health and Human Services, National Emergency by the President of the United States of America, and the Public Health Emergency by the District of Columbia Government, the D.C. Department of Health Care Finance (DHCF), in its capacity as the single state agency for administering the Medicaid program, CHIP, Alliance, and ICP in the District of Columbia, has adopted temporary eligibility related policy changes, as follows:
